Moroccan hand woven rugs

C4 to C9

Pure cotton with embroidery in 100% silk.
Woven by the Berber women of the High Atlas Mountains.
Each rug calls "Kilim or Aknif" is hand woven and takes some 4 to 6 weeks to complete.
Natural dyes such as henna, mint, indigo and saffron are used to create these.
A perfect addition to any room as a floor covering or wall hanging.

We are in the process of assembling a collection of unique hand woven rugs and are proud to offer you this collection.

The hand-knotted Berber rug

For centuries the tribal people of Morocco's Atlas Mountains have passed down the delicate art of rug-weaving. In Northern Africa, rugs are not only a practical asset to the home; they are an integral part of the culture. Hand-knotted rugs are the preferred gift of people of high social rank, and are also a traditional wedding gift. These exquisite design features a traditional tribal pattern in Berber's mountains.
